👁 8 ✓ 0 ★ 1

## Chapter 1 by Feyre Archeron

There are a lot of obstacles in the world, some that seem impossible to conquer. Chisholm is the best place for conquering your obstacles.

Obstacles are not that complicated if you really think about it. I have run into so many obstacles, come to think of it now I don't even know how I survived all of them.

When you come across an obstacle, don't get all fused up about it. If your the smart one I hope you are, you will get through it just fine.

Remember, don't get all worked up about it, when maybe you think your problem will take you forever to figure out, but in real life it's just as simple as they come.
